Rules for Participation

The Chastain Park Arts Festival is a selective fine arts event. Artists will be asked to remove all work that is not in compliance. The Festival committee reserves the right to refuse exhibition of work not consistent with the quality and cohesiveness of submitted images, as well as any inappropriate work or display. Artists that do not comply with Festival rules and regulations may be asked to leave immediately and will not be eligible for refund.

- 1) All work must be original and handcrafted. All work must be designed and executed by the accepted artist(s). No work that has been made with commercial kits, molds, patterns, plans or prefabricated pieces is allowed.
- 2) Reproductions must be clearly identified as such. Original art must occupy at least 50% of the artist's wall space. All artwork on walls must be framed (if appropriate). Browse bins may occupy only minimal space and must be aesthetically pleasing and not obstruct patron flow.
- 3) Artists may only show work in categories approved by the jury. All work exhibited must be of the quality and type that is shown in images juried.
- 4) Artists must be present with their work for the duration of the Festival. No commercial agents, dealers or salespeople may operate the artist's booth.
- 5) If the work is collaborative, each collaborator must be present. Collaborations/partnerships are permitted, however all artists must be listed. If you operate a multi-artist studio, you must represent this to the Festival and the public. Commercial studios involved in volume production will not be considered for inclusion in the show. Artists may not display or sell work by apprentices or employees.
- 6) All artwork displayed must be for sale.
- 7) Artists are responsible for collecting and paying the applicable Atlanta Sales Tax (8%) to the Georgia Department of Revenue.
